

# SFIA evolution – 25-year track record in industry

**Field-tested approach over 20+ years:** Used by practitioners, not a theoretical model

**Established update process:** Regular revisions with contributors, design authority, beta testing, structured releases and translations

**Global adoption:** Across government, corporate, and education sectors in 12 languages

**Expanding resources over time:** Growing guidance materials and industry partnerships

**Organic growth:** Primarily spread through word-of-mouth success
