Acknowledgement of Country

I recognise that we are hosting this virtual meeting from the country of the Ngunnawal people.

I acknowledge the Ngunnawal people as traditional custodians of the ACT and recognise any other people or families with connection to the lands of the ACT and region.

I acknowledge and respect their continuing culture and the contribution they make to the life of this city and this region.

I also recognise the traditional owners of the countries where you all work today and the First Nations people present in this meeting.
