Global Community Collaboration

2000-2005:

- Provide the framework

2005-2015:

- Maintain the framework
- Establish the ecosystem

2015-202x

- Develop the framework
- Focus on end-users – community driven
- More than just the framework ...

A constant ... 24-Year Track Record of Confidence an
→ Reliable, Consistent and Trusted ...

... an engaged community builds more and wants more ...
