Experience Assessment Process

Map to experience

| My resume My JD | → | Identify Jobs and Roles and Dates | → | Jobs, Roles, Dates |

| What I do – Professional skills | → | Map "What I do" skills to my roles | → | Roles, Sklls |

| Levels of responsibility and generic attributes | → | What Responsibility do I have? Review LoR Essence | → | My levels of responsibility and generic attributes |

| Professional skills | → | What do I do with my Responsibility? Review skill levels | → | Roles, Skills, Levels of Responsibility |

Level consistency analysis

Professional skill level analysis

| Professional skills more than 2 levels higher than LoR | Professional skills more than 2 levels lower than LoR | ← | Critique skill levels | → | Do I perform lower-level skills | Is the activity also described by behavioural factors |

**I can map my Professional skills and Levels to my work experience**
